Chili Dump - Don't forget to make a batch of your favorite chili to bring to the last meeting. Chad graciously volunteered his house to have the chili dump. There will be two batches, a mild pot and a hot pot. Please RSVP to Chad Spaulding whose cell number is 268-2826. Chad Spaulding and Lori Jalling live at N2345 Joan Street, Greenville, WI 54942. If you are not sure where this is or how to get there, call Chad for directions. A mapquest map was not going to do the trick, sorry.

April is Clean-Up Month - Mark your calendars for the weekends of April 5th & 12th for trail clean-up and the weekends of April 19th and 26th for our semi-annual Adopt-A-Highway clean-up. People who have paid their dues according to the Participating fee need to make sure to help in these Club activities!

Greenville Knights Would Like To Reclaim Property Belonging To The Club- We would like to get together an inventory list and get everything belonging to the Club in one spot. So please, if you have property such as Nescoes crock pots, photo albums or any other property, please bring it to the April 13th meeting. If this is not possible please call Bev at 757-5020, so she can make a list of inventory and arrange for it to be accounted for and picked up. Thank you for your cooperation in advance.

Record Snowfall Year = Record number of days the trails were open. The trails were open for approximately 68 days this year. We hope you all got out and had some fun this year. Now it is time for everyone to pitch in and clean 'er up and git' 'er done. We hope you have marked your calendars for trail clean up and sign removal for the weekends of April 5th and April 12th.

Rails to Trails- We have great news! Outagamie County is going to develop a 23-mile stretch of abandoned railroad beds from Seymour to New London in the near future which will be open to snowmobiling. There is no date set in cement for this all to happen as it is in the very beginning stages.

2009 Manufacturer's Sneak Peak - One night, one location, four manufacturers, Thursday, April 10, 2008. Starts at 4 p.m. and goes until 9 p.m. The cost to get in is free and so is parking. It is being held at ShopKo Hall, 1901 S. Oneida Street, Green Bay, WI 54304. Check out the new models and dream!

Input needed for 2008-2009 Season Club Rides- There has been discussion of possibly having two departure times on Thursday nights for club rides. It was brought up that maybe some riders would like to leave early, such as 4:00 p.m. and then have another departure of 7 p.m. for those who cannot make the earlier time. Also, the discussion was brought up for a possible Sunday family ride for people who are interested. Please give Club Officers or the Board of Directors any thoughts you might offer on this subject.

2008-2009 Club Meetings- Regular meetings are held on the second Sunday evening of each month @ 7:30pm at Greenville Town Hall – mark your calendar for this season. And as always, more info can be obtained on the club's website at: www.green-knights.com. **Have a great summer, see you in fall!**
