“United We Trail, Divided We Fail”

Trail Clean-up - Mike and I would like to thank everyone who participated in the clean up efforts both April 5th and 12th. Much was accomplished and in a timely fashion. What a great feeling of accomplishment and camaraderie. We enjoyed the presence of a new member and two students who helped out in order to earn their Community Service credits for school. The weather cooperated both weekends and it was a good time for all.

The Trail Chairman put together some stats and names:

- **Trail Signing** - 130.5 hours were spent doing the trail signing, special thanks go out to:
 - Gordo S., Ron N., Delores N., Karen K., Chad S., Matt, Rory K., Scott P., Jason S., Dan G., Mike P.,
 - Bev P., Steve F., and Kevin K.

- **Grooming** - 100.75 hours were spent grooming the trail, special thanks to:
 - Gordo S., Jared S., Russ B., and Travis S.

- **Trail Clean-up** - 74 hours were spent cleaning up and collecting the signs, special thanks to:
 - Ron N., Delores N., Dan G., Tyler G., Steve F., Joe V., Chad S., Karen K., Anthony, Randy I.,
 - Tim I., Brian W., Leon S., Rory K., Jordan E., and Zach Z.

- **Grand total of 305.25 hours** to sustain our trails this year. Thanks again for all contributions and a job well done for another year!

Adopt -A- Highway - We did not make it official to end our commitment of Community Service. Therefore, we will be continuing our spring tradition of cleaning our stretch of CB on **May 2, 2009**. We will meet at Burger King at **8 am**. Come dressed wearing your grubs, a pair of gloves and whatever other materials you would like to bring to accomplish the job. Chad will have gotten our new vests for us to wear and we will distribute them there.

Last meeting of the year - Even though the last meeting of the year will be April 26, 2009, which is before the Clean-up happenings of the Adopt - A- Highway happens don't let it slip your mind. Mark your calendar now, May 2nd at 8 am! See you there!

This is my last newsletter of the year, so let me finish by saying what a great successful year we had. Mother Nature cooperated and we had one of the longer snowmobile seasons on record for the second year in a row. That is good news! See you all next year and don't forget, THINK SNOW!!!
