IMPORTANT -TRAIL MARKING - will take place December 6 starting at 8 am at J&L Materials, aka Gordo Spaulding's shop. Those who own ATV's are always needed, **please call Mike Plamann, 757-5020**, if you plan on coming so he can figure out a plan on how to best utilize the help and what tools you will be able to provide. We need sledge hammers, wire cutters, chain saws, post drivers, etc. Without help for this task we simply will have no trails to ride. Mike and I plan on breakfast at the Greenville Café, corner of 15 & 76. If anyone wants to meet us for breakfast before trail marking we will be there.

CHRISTMAS PARTY- December 14, Perks in Medina, cocktails start at 5:30 p.m. with dinner at 6:30 p.m. Show your holiday spirit and come on out for some fun and fellowship with fellow club members. You **MUST** RSVP to Bev Plamann at 757-5020 as we need a head count. Deadline is December 7. If anyone has photos of Green Knight members, activities, etc please bring them to share.

Membership Dues: This season's membership application is printed on the opposite side of the newsletter - please take a moment right now to fill-out and mail-in your check and application. Thanks!

Reporting a Snowmobile Crash Incident

A "reportable" snowmobile crash incident is any incident (regardless of the number of snowmobiles involved) which results in a fatality or an injury that requires medical treatment by a physician.

Wisconsin law requires every snowmobile operator involved in a "reportable" incident to report the incident without delay to law enforcement officials. In addition, within 10 days of the incident, the operator must submit a written report on Form 4100-174 to the Department of Natural Resources. If you are unable to download the pdf form above, forms are also available from DNR offices, sheriff's departments and many local police departments. Additionally, forms may be requested at the address below or by e-mail. Mail completed forms to:

Wisconsin Department of Natural Resources
Safety Section - LE/5
P.O. Box 7921
Madison, WI 53707

Failure to comply with the reporting requirements is punishable by a penalty up to \$326. Pursuant to Section 350.15(4)), Wis. Stats., this report may not be used as evidence in a trial.

Club rides - are on Thursday nights, meeting at Wise Guys- weather permitting. **The meet time has changed to 7 pm. Also there is interest in an earlier departure time for those who can and want to start earlier. Do you have any input? We would like to hear from you.**

Nighttime speed limit extended – The Governor signed the nighttime speed limit bill into law on November 13, 2007. The speed limit expires June 2010.
