“United We Trail, Divided We Fail”

First of all, thanks to everyone who showed to the first meeting, we are off to a good start. Some people were already equipped with their membership form and money to kick things off. Thank you and please get the word out- everyone needs to do their part to keep the Greenville trail system alive and well.

AWSC Fall Workshop- October 24-26th at Ramada- Stevens Point Wisconsin. You can check out the details of this event AWSC website - www.awsc.org

Culvert on Ellenbecker’s Land - Jesse Buman, Mike Plamann, Gordo Spaulding have been working closely with the Dean Schiller, The Public Works Director, and the Ellenbeckers to get our DNR approved culvert in by mid-October.

Trails/Marking - We have divided our trails into three sections, each with a different color. We are looking for volunteers to help those leaders. These volunteers will be working with the Trail Chairman to contact landowners to get permission for the trails. There are 32 or so landowners to meet with and discuss permission for trails. It is a huge undertaking and too much time for just one person. Volunteers are needed now.

A Note from the Trail Chairman - Steve & Betsy Foesch have volunteered to head up the blue section. Gordo is working on heading up the red section. We are still looking for volunteers to help Mike with the trails. We have until November 17th to contact land owners to get permission to cross their land or there will be no trails.

Outagamie County Alliance Snowmobile Map - We are also looking for a person(s) or a couple to volunteer to get ads for our map.

Adopt a Highway - Adopt a highway is scheduled for October 18 and the rain date is set for October 25. Please contact Chad Spaulding, 268-2826, to let him know you are planning on showing.

Trail Marking - will take place November 15 and December 6. Those who own ATV’s are always needed, please call Mike Plamann, 757-5020, if you plan on either date. Without help for this task we simply will have no trails to ride.

Membership Dues: This season's membership application is printed on the opposite side of the newsletter - please take a moment right now to fill-out and mail-in your check and application. Thanks!
