"United We Trail, Divided We Fail"

Another snowmobile season is upon us leaving all of us wondering where the heck has the year gone. Summer days are getting shorter, the farmers are bringing in their crops and the hot days are leaving people wishing for cooler weather. Along with all these changes come the challenges of another year preparing our trails and equipment for the snow season ahead. I invite all members to please join us in making this season a fun and productive one. There is always something to help with, and many jobs that need to be done. Please join us at the meeting on Sunday night to discuss upcoming events in the club! There will be plenty of need for people to volunteer in order to keep this club afloat. Make sure you do your part.

Trails/Marking - We have divided our trails into three sections, each with a different color. We are looking for three members to head up each section and then volunteers to help those leaders. These volunteers will be working with the Trail Chairman to contact landowners to get permission for the trails. There are 32 or so landowners to meet with and discuss permission for trails. It is a huge undertaking and too much time for just one person. Volunteers are needed now.

Outagamie County Alliance Snowmobile Map - We are also looking for a person(s) or a couple to volunteer to get ads for our map.

Adopt a Highway - Adopt a highway will again need to be scheduled at the first meeting. Thank you to everyone who cleaned up this spring. Great Job!!!

The Drag - was fixed, rebuilt and repainted over the summer. It turned out awesome. A big thanks to everyone involved!

Membership Dues: This season's Membership Application is printed on the opposite side of the newsletter - please take a moment right now to fill-out and mail-in your check and application. Thanks!

Snowmobile Safety Course - Class fee is \$10.00 Please check the DNR website for dates. **New Requirement:** All WI Recreational Safety Students are required to obtain a **WI DNR Customer ID Number** before the completion of any Recreational Safety Class and will also be required to provide that WI DNR Customer ID Number along with students personal information to the instructor. You can obtain a WI DNR Customer ID Number 7AM to 10PM by calling the WI DNR Customer Service at 1-888-936-7463 or you can visit a WI DNR Service Center during their regular scheduled hours.

Meetings: Regular meetings are held on the second Sunday evening of each month @ 7:30pm at Greenville Town Hall - mark your calendar for this season. And as always, more info can be obtained on the Club's website at: www.green-knights.com

Club rides are on Thursday nights, meeting at Wise Guys weather permitting. **The meet time has changed to 7 pm.**

County Alliance Representatives – Mike Plamann & Gordy Spaulding.

Board of Directors – John Baumgart, Karen Kaphingst, Mike Plamann, Scott Puls, Jessica Buman, Ron Nussbaum and Brian Wunderlich.
